RedViking is continuously working to adapt to the global pandemic and its wide-reaching impacts to our community. We regularly monitor federal, state and local sources for changes to COVID-19 recommendations and update our actions accordingly. Through it all, we remain committed to our core values and promise to protect the health and safety of our team members, their families and our community as well as maintain our dedication to our customers.

We follow recommended COVID-19 guidelines from the Michigan Occupational Health and Safety Administration. Please contact Kevin Presley, Compliance Manager at [kpresley@redviking.com](mailto:kpresley@redviking.com) if you would like a copy of our COVID-19 Preparedness and Response Plan.
